Suffolk Coastal RAYNET - Russell Keen G7OOW. Letters - Bobbie Sauerzapf.

Thanks to Jessie and Carol (amongst others) for the checkpoint and finish food, to Walberswick Village Hall and to all our marshals.

For the record there were (Year 2002 figures in brackets): 106 (111) completions, 72 (83) on the main route, 34 (23) on the short route, two retirements.

One entrant had to be retired because he was consistently late at checkpoints, but went on to complete the event in the company of the sweepers!

Well Done All - See you next year - but please tell us if you go home after registering at the start or we will waste time looking for you...

In 2004 - The Daffodil Dawdle, March 28th - The Poppyline Marathon, June 13th - The Poppyline Fifty, August 7th/8th - The Flower of Suffolk, early October
